Fresh 'n Clear™

BOWLS AND LIDS

It's not round, it's not square—it's scround! The unique scround design makes foods look their best because they're displayed prominently—perfect for cold, ready-to-eat deli foods like lettuce salads, pasta, and cut fruit...even nuts!

- Display cases not only look attractive and appealing, but space is maximized.
- Tight-fitting and leak-resistant lids help prevent spills in the store as well as on the go.
- Bowls stack into the lid of the bowl below to make merchandising easy and secure.
- Lids are available in just four sizes—small, medium, large and 2XL—and fit all corresponding bowls.
- Choose from three lid designs, including a dome lid for extra room.
- Lids can be custom-embossed to give you the brand recognition you need.
- All bowls available in either black or clear.
- Constructed from durable EcoStar® PETE material to ensure a long shelf life, and make food products look their best.

For virtually any retail food environment—grocery stores, delis, quick marts, restaurants, cafeterias, food carts and beyond—Placon provides thermoformed packaging products for superior performance. Efficient storage, secure sealing and exceptional functionality all play a role in our industry-leading designs. Polypropylene and PETE options mean our packaging can accommodate virtually any food product, any use, any environment. And from environmental perspectives, our EcoStar® food-grade recycled PETE (with up to 100% post-consumer recycled content) is just a taste of things to come.

Ultimately, from stock designs to highly custom creations, the underlying goal is clear: Our products work hard to sell yours.

Whether you need packaging for food, medical, or retail environments, visit www.placon.com or call 800-541-1535 to request additional information about any of our product lines.
