7 in 10

consumers say having healthy restaurant menu options is important.

DINING IN

21%

of restaurant consumers are purchasing small-plate options, like salads, more often.

WHY?

61%

are trying to eat healthier meal choices.

Salad

consumption in restaurants is rising, driven by consumer demand for lighter, healthier and more affordable meals. Tap into this demand by creatively menuing fresh, flavorful salad variations as appetizer options, main entrées, side selections and combo components. You'll please customer palates, position nutritious products and build traffic and revenue. And to enhance their presentation, serve your salads in D&W Fine Pack's diverse line of quality containers. Innovative shapes and versatile styles add excitement to your menu and your customers' dining experience.

Salads

- Upscale clear and black containers beautifully showcase salads
- Snap-tight, leak-resistant lids keep contents fresh and secure
- Deep bases and domed lids accommodate any type of salad
