

The Supertuff Bag That \$aves You Green

CXP Bags Advantages

- Stronger - 3 Ply Liner
- Green - Post Consumer
- Microban® Protection
- Cost Efficient

COEX SUPERTUFF® CXP with Microban® Protection

COEX Supertuff® CXP Bags are manufactured utilizing recycled material of which a minimum of 10% is certified post consumer content. This uniquely designed LEED applicable product provides an opportunity to utilize a liner that supports municipal, state and federal LEED initiatives.

Utilizing a proprietary tri-laminate manufacturing process, COEX Supertuff® CXP is designed to exceed industry requirements, while using less resin than other competitive heavy gauge bags. COEX Supertuff® CXP weighs less, out-performs and is 100% recyclable.

REDUCE • REUSE • RECYCLE • RECLAIM

Exclusive Microban®
Can Liner Manufacturer

Microban® antimicrobial protection provides an added benefit by inhibiting the growth of odor causing bacteria on the outside and inside surfaces of the bag.
